SKILLS SUMMARY

Languages:	Java, C++, HTML, CSS, JavaScript
Frameworks & Libraries:	React.js, Next.js, Node.js, Tailwind CSS
Databases:	MySQL, MongoDB
Cloud / DevOps:	Git, GitHub, Vercel
Developer Tools:	VS Code, Intellij IDEA, Postman
Core Subjects:	Data Structure & Algorithms, OOP, DBMS, Computer Networks
Soft Skills:	Problem Solving, Teamwork, Communication

INTERNSHIP

LazyEats — Frontend Designer Intern Jan' 2026 – Present

- Worked on the **LazyEats food delivery app**, developing and improving user-friendly frontend interfaces.
- Designed **responsive UI components** and enhanced the overall user experience across different devices.
- Collaborated on frontend development and contributed to improving app functionality and usability.

PROJECTS

Online Grocery Shopping Platform | GitHub Apr' 2026 – May' 2026

- Architected / Built an online grocery platform enabling users to browse and purchase products conveniently.
- Implemented **categories, shopping cart, authentication, and order management** for seamless shopping.
- Deployed on **Netlify**, delivering a responsive and user-friendly grocery shopping experience.

Tech Stack: React.js, JavaScript, HTML, CSS

Student Record Management System – Data Structure and Algorithms & Core Java | GitHub Jun' 2026 – Jul' 2026

- Developed a Java system to replace manual student record management with digital CRUD operations.
- Applied searching and sorting algorithms for faster student record retrieval and organization.
- Implemented file-based storage and automated reports for toppers, attendance, courses, and semesters.

Tech Stack: Java, DSA, OOP, File Handling

TRAINING

Summer Training Program – Data Structures & Algorithms with Java Jun' 2026 – Jul' 2026

- Completed structured training covering **DSA** concepts from fundamentals through advanced problem-solving techniques.
- Java applied to implement data structures, algorithms, searching, sorting, recursion, and optimization techniques.
- Built a **Contact Management System**, applying DSA concepts to develop practical application functionality.

Tech Stack: Java, DSA, OOP, Array List, File Handling, VS Code

CERTIFICATIONS / CERTIFICATES

C Programming | Coding Tantra	Jan' 2025
Computer Programming | LPU | iamNeo	May' 2025
Core Java | Cipher Schools	Jan' 2026
Data Structures and Algorithms | LPU	Jun' 2026
Object Oriented Programming | neoColab	Jul' 2026

EXTRACURRICULAR ACTIVITIES

Co-Founder — ARC, DSO LPU Jun' 2025 – Apr' 2026

- Co-founded ARC and led marketing, event management, and execution of multiple technical events.
- Organized multiple hackathons, coordinating participants, logistics, sponsorships, and end-to-end event operations.
- Generated ₹50,000+ in revenue through successful planning and execution of hackathon events.

EDUCATION

Lovely Professional University Phagwara, Punjab
Bachelor of Technology (CGPA 7.2) Jul' 2024 – Present

Saraswati Vidya Mandir Inter College Kanpur, Shukla Ganj
Senior Secondary (70%) Mar' 2023 – Apr' 2024
